CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jaycee is a category A provider who has been registered for 1 year. Her hours are 7:30AM to 5:30PM, Monday thru Friday. She takes children of all ages and accepts childcare assistance payments. She resides in a quiet neighborhood southern part of Sioux City. Her home has adequate space for a Category A child development home. There are no pets in the home. There is a fenced in back yard for the children to play.

2. Identify Observed Strengths Of The Program

I observed Jaycee's home to be clean and orderly. There were no noticeable safety concerns. She has a lot of Ttys and activities for children to do to work on their fine motor skills. Jaycee appears motivated to provide a quality childcare program.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector is tested monthly, and a record is kept for inspection purposes.

The provider needs to complete monthly testing of the smoke detectors and document.

Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.

The provider needs to complete monthly fire and tornado drills and document.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations
