Please do not hesitate to access the free and voluntary consulting services offered by CCR&R to assist with any compliance related needs or questions.

Effective immediately, contact the registration unit adding your assistant to your child development home. No recheck is planned at this time.

Corrective Action Required:

1. Upon arrival to your child development home, you had a 17 year old assistant helping you this summer. Please contact the registration unit and work with them to add this provider. Once her background is approved, she will need to have a physical completed on the state required form and do her mandatory reporter training.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-339-8262 eabbott@dhs.state.ia.us if you have any questions regarding this letter.
