Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 03/29/2017. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) Facility Requirements

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.
3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.
4. All animal waste shall be immediately removed from the children’s areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation

5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa’s Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years’ training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(1)“b”(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child’s regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 1. The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 4. The examination report or statement of health status shall be on file before the child’s first day of care
- e. For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
- h. For any child with allergies, a written emergency plan in the case of an allergic

reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home. k. Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

1. All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.

- Provider needs updated vet appointments for her dogs.

2. Each smoke detector is tested monthly, and a record is kept for inspection purposes.

- Provider should assure smoke detectors are tested a minimal one time per month and documentation of these test are kept to assure this is completed

3. Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file.

- Provider should assure fire and tornado drills are practiced the minimal one time per month and documentation of this drill is kept to assure this is completed.

4. Provider needs to complete the emergency preparedness plan. SW Stevens left a blank copy of the plan with the provider.

5. Provider needs to complete the Health and Safety training.

6. Two hours of approved child abuse and neglect mandatory reporter training.

- Provider is renewing her mandatory reporter training in May 2017.

7. Each person involved with the daycare, or who lives in the home and is over the age of fourteen years old, must complete formal background checks through the Department. The Department will mail a letter confirming the checks were completed and the person is approved to participate in daycare.

-Provider was unable to locate the letter. Provider is able to call 1-866-448-4605 for a copy to be resent to Provider

8. Children's files- it is noted that the provider was caring for four children on March 29, 2017.

-Two children (initials MD, MS, and JM) need updated physicals.

Suggestions for Improvement:

Recommendation:

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will not be required to have a recheck or follow up visit to your home. No further action is required.

Please do not hesitate to contact me at DHS at 319-892-6857 or jsteven@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jami Stevens
