Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 06/25/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"g"	The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

Findings:

441 IAC 110.8(1)"g" The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

Suggestions/Recommendations:

A recheck is not needed. The below correction needs to be completed by 8/26/2025 and will be checked on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Roxana Sixtos 515-202-1310) with any training or compliance efforts.

Corrective Action Required:

1. You did have a fire extinguisher but it is a smaller size than the required fire extinguisher. Please get a 2A 10BC rated extinguisher.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jake.aringdale@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
