CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Toni Oliver is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2010. Toni lives in a ranch style house and will use the main floor for her child care operation.

2. Identify Observed Strengths Of The Program

Toni Oliver does not have any children enrolled in her child care operation. Toni was able to locate her CRP and mandatory reporter training. Toni said daycare children could play in her backyard. Toni has toys and books for children to play with. Toni plans to use redirection for discipline. We reviewed all safe sleep regulations. Toni would need to purchase a pack and play or crib, if she provides care for infants. Toni recently retired from her full time job and is not sure when she plans to provide care to daycare children.

3. Identify The Aspects That Fall Below The Standard

NA

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

At time of my compliance visit, Toni Oliver was in full compliance.
