Corrective Action Required:

Lynell had cleaning products on her kitchen counter that were accessible. Lynell needs to put these items in an inaccessible area for children.
Lynell needs to ensure all enrollment forms have been signed and dated within the last year. Child files will be reviewed again at next year's compliance visit.

Lynell needs to send verification that she moved the hazardous materials from the counter top and placed them in an area inaccessible to children. Lynell needs to send this verification to Kathy by 7/21/2025. This can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.huinker@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,
