Findings:

Per our 5/28/2019 spot check visit, the following corrections need to be made as described in the policy sections above:

1. You need to obtain a current physician signed statement of health on the State form for household member Fernando. Also, two of the younger household members under the age of 12 need a current physician signed statement of health from the clinic to accompany their immunization reports.

2. A couple of your children's files need a few updates for health and/or immunization reports.

Suggestions for Improvement:

I encourage you to work with Traci Honold from Child Care Resource and Referral on any of your ongoing compliance or training needs. Traci can be reached at: (515) 246-3559

Recommendation:

The above corrections need to be in place by 7/30/2019. Though I will not be conducting a re-check at your home, I will review the corrections during our next visit.

[] Is the recommendation to terminate a provider agreement or revoke a registration?
