Suggestions/Recommendations:

Leanne needs to test each smoke detector monthly and keep a record of testing for inspection purposes. This worker did provide her a form to use.

Ralph is a household member, an assistant and a substitute and he needs an annual physical on the approved HHS form.

Leanne needs to update her Mandatory Child Abuse Reporter training as it has expired. Please send pictorial documentation when this is completed.

Corrective Action Required:

A re-check is not needed at this time, corrections need to be made by 9/22/23 and will be reviewed at the next annual compliance check.

I encourage you to work with Ashley Cram from Child Care Resource and Referral with any ongoing compliance or training needs.

Ashley can be reached at (563) 362-8224.

Thank you for your service in providing child care in your community.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.
