Findings:

Christine had one child present during the visit and this child was over the age of 24 months. Christine was within allowed category numbers.
During the visit a tour of the entire home and outdoor area was completed noting all items to be in compliance.
A complete review of files was completed noting some items of non-compliance. Christine could not locate her monthly fire and tornado drill log. She has a new one printed out and posted and agrees to complete her December and document it on this 2023 form. Christine was not able to locate current pet forms on form 470-5153 Pet Health Examination Veterinary Health Certificate for her dog and cat, Tootsie and Patches. She agrees to obtain these forms for both animals by 1/15/2023 and text this worker a photo of these forms. Christine's MCART and 1st aid and CPR were expired. Christine agrees to complete these courses by 1/15/2023 and send a photo of the certificates by this date. Christine was missing one daycare child's physical and she will obtain this on file by 1/15/2023.

Suggestions/Recommendations:

Corrective Action Required:

Christine will obtain all file items by 1/15/2023. She will send photo of these documents by 1/15/2023 with the exception of the child physical which this worker will verify at the 2023 compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 641-421-1219/anash@dhs.state.ia.us if you have any questions regarding this letter.
