Suggestions/Recommendations:

A recheck is not needed at this time. The below corrections need to be completed by 7/30/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) with any training or compliance efforts.

Corrective Action Required:

1. The individual emergency numbers need to be written on paper and a copy of those numbers need to be in the vehicle used to transport the children.

2. All electrical outlets need to be covered with safety caps. This needs to be done immediately.

3. Wayne needs to have a DHHS Medical Form completed by a medical professional and it needs to be in your provider file.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jarind@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
