I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

A visit was made to the center on 05-09-24 and spoke with Stacy Boeve, On Site Supervisor. Ms Boeve has an associate's degree in childcare management and supervision and many years of experience working with children. Ms. Rhodes has an Elementary Ed degree and is licensed as PK-8 Principal, PK-12 Superintendent, and AEA Administrator with over 30 years of experience.

Hinton Little Hawks 4 year old program is located in two rooms of the Hinton elementary school. The program operates Monday through Friday 7am to 8:30 and 3:15pm to 6pm for extended childcare. Preschool hours are 8:30am to 3:15pm.The preschool uses the GOLD program and QPPS standards. The staff had great interaction with the children.

There are 36 children enrolled in the program. All areas of the program were observed. These areas observed consisted of classroom observations and activities, nutritional practices, health and safety practices, playground observation, field trip and transportation practices, and administrative review. The center continues to clean toys that children use.

The Hinton elementary school provides the breakfast/lunch and snacks. Food is stored properly. The center follows the CACFP guidelines for nutrition meals. Menus were posted.

Center Health & Safety
The school nurse handles all medications for the center. Staff and children follow good hand washing procedures. First aid kit is sufficient
to treat minor injuries. Fire/tornado drills are recorded monthly. Good sanitary procedures are observed in the center. Fuel burning
inspection was complete. Radon tests were completed and within normal range. Center has a working carbon monoxide detector.

Center Playground
A fenced-in playground is located next to the preschool. The center updated the playground and added a new climbing equipment, poured rubber surfacing, new turf, two shade structures and new outside toys. They also expanded the playground and added a new shed to house their outside toys. The playground has climbing equipment, slides, trikes, balls and a sandbox. The program is adding another shade structure on the north end of the playground this summer. Monthly playground inspection completed. The program had received grant monies to update the playground.

Center Transportation Arrangements/Field Trips
Center uses school bus for field trips.

Goals of the center is to add another shade structure, get on IQ4K.

Strengths of the center is they have a good relationship with their families, school, and community.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

1. Staff at the center are well educated and have an average of 13 years of experience.
