Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 11/05/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)"i" Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:
1. The telephone number for reporting complaints, and
2. The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work

address and telephone number.
b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
4. The examination report or statement of health status shall be on file before the child's first day of care
e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

1. 110.8(1)a The provider does not keep a paper copy of emergency contact information for each child in the vehicle when she transports children.

2. 110.8(1)h The smoke detector in the living room had been taken down to change a battery and not replaced.

3. 110.8(1)i The provider's No Smoking Signs are hanging at each entrance, but they are faded and hard to read.

4. 110.8(1)n The provider has the litter box for the cat in an open container, in the kitchen, accessible to children.

5. 110.9(4) Children's Files:
-The provider is missing current physicals for some children in care.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 12/1/2024 and will be reviewed at the next annual compliance check.

I encourage you to work with Lorri Hora from Child Care Resource and Referral with any ongoing compliance or training needs.

Lorri can be reached at: 319-321-2725.

Corrective Action Required:

1. The provider needs to keep a paper copy of emergency contact information in the vehicle when she transports.

2. The provider needs to replace the battery and hang the smoke detector in the living room back up.

3. The provider needs to order new No Smoking signs.

4. The provider needs to move the cat's litter box to a place that is inaccessible to the children.

5. The provider needs current physicals for all children in the file.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or holly.bailey@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Holly Bailey
