**The provider did not have a file on her assistant with identifying paperwork and training completion.

441 IAC 110.9(4) Children's Files An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes.

**During a random audit of the children's files, compliance staff noted that some of the paperwork was signed a few years ago. Compliance staff also noted that some children do not have an emergency backup person to contact if parent is not able to be reached.

Suggestions/Recommendations:

Please update your records by December 4, 2023 to have a completed file on your assistant.

Please have parents review paperwork annually. Parents can sign and date at the bottom of the form, confirming that all information is still correct. If something needs to be changed, a parent can cross of the former information and write the new in the same area. Encourage parents to verify that all phone numbers are correct.

Corrective Action Required:

Your home is not in need of a recheck.

If you have any questions, please reach out to compliance staff or your CCR&R representative, Kelly Phelps at 515-802-7292

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or sburris@dhs.state.ia.us if you have any questions regarding this letter.
