CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Karen E Raimundo Valle is a CDH Category C1 provider, living in Ankeny. She has been a registered daycare provider since 2017. Karen has one approved child care sub/assistant. Karen lives in a split level house and uses the main floor and basement area for her child care operation. Her basement has a garage door exit.

2. Identify Observed Strengths Of The Program

Karen E Raimundo Valle was organized for our compliance check. At the time of my compliance visit Karen had 6 daycare children present, ranging in ages 8 months to 3 years old. We reviewed all safe sleep regulations. At the time of my visit, I observed Karen complying with all safe sleep regulations, and infant was sleeping in her crib. Karen participates in the food program. Karen said uses redirection for discipline. Karen said the daycare children play with toys, work on their ABC's, numbers, colors, arts and crafts, listen to music and play outside. Karen speaks both English and Spanish to the daycare children. Karen has a large fenced in backyard with a playset for daycare children.

3. Identify The Aspects That Fall Below The Standard
