Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 09/23/2022. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 3 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(4)	**Emergency Plans**
441 IAC 110.8(4) “a”	Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

Findings:

On 9/23/22, DHHS worker Joni Duffy completed an unannounced compliance check at Amanda's home. Amanda and her husband were both present with 8 children in attendance. Two of the children left shortly after DHHS arrived to go to pre=school.

This worker found that Amanda does not always remember to document her fired and tornado drills. Amanda states she will do better about logging them after she completes them.

Suggestions/Recommendations:

Corrective Action Required:

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 571-7371 if you have any questions regarding this letter.

Sincerely,

Joni Duffy
