CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Leanna Harris has been a registered childcare provider since February 2018; she was a non-registered provider since April 2015. Leanna resides in a single-family home in Burlington, Iowa, with her school-age daughter. London. Leanna offers second shift childcare, 2:00pm to 2:00am Monday thru Friday. Leanna recently stopped providing care on the weekends. Leanna says that she accepts children ages 1 year to 12 years, Leanna no longer cares for infants under 12 months.

2. Identify Observed Strengths Of The Program

Leanna identifies her strengths as being punctual, having integrity, good communication and providing structure. Leanna was not caring for any children at the time of the compliance visit. Leanna says that her program activities include circle time, doing exercises, reading, singing and doing "brain puzzles'. Leanna's home is within walking distance of an elementary school where she walks with the children to play on the playground. Leanna also offers second shift childcare.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child’s first day.

1. Leanna did not have admission physicals (or current physicals) for the 3 children she has enrolled in her care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Leanna needs to have current physicals/statements of health, for all children enrolled in care.
