1. Basic Overview

Michelle has been a registered childcare provider since September 2019. Michelle is a category C1 provider and she has five assistant/substitutes. Michelle's childcare hours are 6:00am to 6:00pm, Monday through Friday. Michelle says that she has provided some evening and weekend hours and tries to be flexible. Michelle cares for children from 0 to 7 years. Michelle participates in the food program and is working on level 3 of IQ4K.

2. Identify Observed Strengths Of The Program

Michelle was caring for 8 children at the time of the compliance visit. The children were observed shortly after lunch. Michelle was cleaning up and the children were having free play. The children have an extensive number of toys, games, climb-on's, dress up items and other educational activities.

Michelle says that she has been providing childcare since the year 2000. Michelle is very organized and has a lot of tools and equipment. For example: Michelle has an office-size copier and a spiral binder and she frequently makes photo booklets for each child. The books have included the different themes that Michelle does (currently dinosaur) and dress-up photo shoots. Michelle says that she really promotes literacy and the children enjoy having books about themselves.

Michelle says that she promotes a family environment and her husband and children are all involved in the childcare at different times. Michelle has a 15-passenger van and transports the children for field trips occasionally (with appropriate car seats and parental permission). Michelle has different theme months that she pairs with pre-school learning activities. Some of the themes have been dinosaurs, ocean and gears.
