Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 12/20/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(1)"b"(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

Suggestions/Recommendations:

Per my compliance visit on 12/20/2023 the following issues need addressed based on the above mentioned rules:
1. All household members need updated physicals completed on the state required form. These need updated every 3 years.
2. You are in the process of adding a new co-provider, Kali. She does not have copies of her trainings, mandatory reporter or CPR training. Please obtain copies of them for inspection purposes. Kali has not been approved yet by registration unit. I have in contact with the registration unit. They have requested additional information regarding child care experience. Kali's background check has passed. You are operating as a C2 provider with an unapproved co-provider. I have informed you that you need to wait until Kali is fully approved. CCR&R has also reached out to you regarding this issue.

Corrective Action Required:

Effective immediately you will need to be within numbers of a C1 until your co-provider is fully approved. All other corrections must be completed by 4/1/2024. All corrections will be verified at the time of the next compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.
