CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Markie is a category B provider who has been registered since 2012. Childcare is provided on the main level of the home. For outside play, Markie takes the children to the city park that is one block away from the home. Markie accepts children of all ages.

2. Identify Observed Strengths Of The Program

Markie is an experienced provider who is knowledgeable of child development and behavior. I observed positive, nurturing interactions between Markie and the children present. The home is clean and organized with no safety concerns. Markie provides balanced and nutritious meals and snacks for the children. There are a variety of activities for the children, including, coloring, arts & crafts and various toys to work on fine motor skills.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector is tested monthly, and a record is kept for inspection purposes.

The provider needs to consistently document monthly checks of the smoke detectors.

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.

The provider's pet needs an updated physical examination.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

The provider's husband needs an updated physical examination in his file.

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.

One of the provider's children needs an updated physical examination in their file.
