CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Joanna is a category B childcare provider. Joanna accepts children ages 3 to 5 years, as she focuses on pre-school activities. During June and July Joanna offered a "summer program" Tuesday, Wednesday and Thursdays from 7:30am to 4:30pm. When the school year starts, Joanna will provide childcare/preschool Monday, Wednesday and Fridays from 9:15am to 12:00pm. Joanna has been a registered childcare provider since July 2021. Joanna and her family reside in the country, in Solon, Iowa.

2. Identify Observed Strengths Of The Program

Joanna's summer program had ended, and her school year program had not started yet during this compliance visit. Joanna reported that during her summer program they spent a lot of time outside on her farm. Joanna said that the children worked on learning colors and shapes while picking vegetables from the garden. Joanna said that they have a "nature play area" where there is a mud kitchen for the children to pretend cook. Joanna has refurbished a shed on her property and turned in it to a "schoolhouse". Joanna has the schoolhouse set up with learning stations and pretend play areas. Joanna says that her program is "faith based".

3. Identify The Aspects That Fall Below The Standard

Joanna was found to be in compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
