1. Basic Overview

Ashley Hill has been a registered Child Development Home Provider since 2008. She is a category "C" provider which allows her to have 8 children in her care at one time. She takes all ages of children into her program. There is a pet dog in the home. Care is provided on the main floor only. The renewal time for registration is in November of 2026.

2. Identify Observed Strengths Of The Program

Ashley is current with all of her required trainings including Safe Sleep. Safe Sleep is practiced in the Child Development Home. Ashley's behavioral interventions include Time Out and redirection. Corporal punishment is not practiced in the CDH. There is a large outside area for the children in her care to play in. Ashely does provide transportation if needed.

CHILD CARE ANNUAL EVALUATION

Children in her care receive regular meals and snacks as appropriate. Ashley is able to provide care 24 hours a day 7 days a week allowing her to care for families with non-traditional schedules.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector has been installed according to manufacturer's recommendations.
All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) h : Written emergency plans for children with allergies. Must accompany child if away from facility.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.
110.9 (4) l : If a child meets definition of homelessness, required medical documentation is obtained within 60 days of enrollment.

1. A functioning smoke detector needs to be installed in each room the children occupy.

2. Each year a DHHS Pet Vet Form must be completed by a qualified Vet and in the provider file. I left a blank form.

3. A DHHS Medical Form needs to be completed by a qualified medical professional for each household member 18 years or older.

4. Your child files need to be updated and complete. I left a list of demographic, medical, releases, consents, and policy information that needs to be each file.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
