CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Debra recently moved from Davenport to Bettendorf, Iowa. Debra will be changing to a category A child development home as her new home does not have the required two direct exits on the main level for a category B. Debra has two assistant/substitutes approved for her child development home. A full compliance visit was completed earlier this year.

2. Identify Observed Strengths Of The Program

Debra continues to enjoy watching children and helping them grow and learn. The children are comfortable in her presence and often go to her for snuggles and to be held. Debra's new home is spacious, clean and offers the children ample play space. Debra is a member of the CACFP food program for child care providers. Debra works well with outside resources including Child Care Resource and Referral.

3. Identify The Aspects That Fall Below The Standard

All accessible electrical outlets are safely capped or are tamper-resistant electrical outlets.
110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.14 (3) c : Minimum of two direct exits to the outside from the main floor.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Debra needs to cap all electrical outlets in child occupied rooms.
Debra needs to put a child lock on cabinet under bathroom sink.
Debra needs her physical transferred to HHS required form, 470-5152.
Debra has moved and her new location does not have the required two direct exits from the main level of the home needed to be a category B CDH home. Debra will be changing to a category A CDH.

Debra will send verification of the above items to Kathy by 9/11/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

5. Special Notes/recommendations
