CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Shirley has been a registered child care provider with the state of Iowa since 2014. Shirley's preferred ages of care are 1-3, however, Shirley will accept preschoolers and school agers also. Shirley provides child care for all three shifts currently.

2. Identify Observed Strengths Of The Program

Shirley utilizes the BrightWheel app for her child care business, which makes documenting and communication with parents much easier. Shirley believes her greatest strength to be her passion for children and her patience in dealing with both children and parents. Shirley maintains her paperwork in an orderly fashion which makes it easier to locate needed items of compliance. Shirley communicates regularly with her parents regarding their children and any concerns that may arise. While this worker was present for her unannounced visit this year, Shirley demonstrated her ability to multi task by continuing preparing and serving the kids their lunch, while still working to find needed items for her child care visit.

3. Identify The Aspects That Fall Below The Standard

110.8 (1) g : Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.
Shirley needs a new fire extinguisher on the main level of her home as she reports she recently had to use theirs and it is currently showing that it is not full.

110.8(1)n. All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
Shirley needs pet records for both of her dogs documented on required HHS form.

110.9 (2) c : Assistants: Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
Shirley's assistant Dionnez needs to take mandatory child abuse reporter training.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

On 8/20/2025, Shirley sent an email with photos attached of 2025 drill records and of a new fire extinguisher. Shirley still needs mandatory child abuse reporter training for Dionnez and pet records for Pico and Gizmo. These items are due by 10/6/2025 and can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

5. Special Notes/recommendations
