Monica Reyes-Aviles has applied to be a registered category "A" Child Development Home Provider. Being a category "A" CDH provide allows Monica to have 6 preschool children with an additional 2 school aged children in her care at one time. There are no pets in the home. Monica does not provide transportation for children in her care at this time. Monica does not have an assistant or substitute in her program.

2. Identify Observed Strengths Of The Program

Monica has completed all required training to be a category "A" Child Development Home Provider. She has completed Safe Sleep training and is able to communicate the important specifics of the policy. When Monica has infants 12 months or younger in her program, she will implement Safe Sleep practice. Monica uses processing emotions and choices and redirection as her main behavior interventions. Monica has a backyard space where the children can play when weather permits. Monica's required paperwork was organized and easily accessible.
