**1. Basic Overview**

All God's Children is an outreach ministry of and located inside Shueyville Church. All God's Children is a nonprofit, overseen by a board of directors and has been in operation for many years.

The director is Jackie Luzum. She started in 8/2024. Ms. Luzum has a BA degree in early childhood education, has a plethora of experience working with children and continues to participate in annual professional development. The on-site supervisor/assistant director is Brooke Weber. She started in 6/2010. Ms. Weber has an AA degree in early childhood education, has much experience working with children and continues to participate in annual professional development.

On 12/4/2025, program space was observed. Primary programming occurs in a 3yo preschool classroom, 4yo preschool classroom, preschool childcare space and school-age areas. The building has sufficient restrooms and hand washing sinks to accommodate capacity as well as a large outdoor play area. Management discussed how since the last review outdoor playground enhancements occurred. Curriculum on the day of the monitoring visit allowed for a variety of play experiences that piqued child interest as well as encouraged social emotional growth, innovation and child choice. On 12/4/2025, staff were observed to be in ratio and actively engaged with the children in a variety of activities that included carrying out curriculum, outdoor large gross motor play, snack rituals, and routine transitions. Children appeared comfortable with staff and to be truly enjoying the day.

**2. Identify Observed Strengths of the program**

-The center follows the Iowa Quality Preschool Programming Standards.
-The center has partnered with College Community to provide free four year old preschool programming.

## CHILD CARE CENTER ANNUAL EVALUATION

-The center uses Enrollsy for parent enrollment, communication, payments/taxes, etc.
-The center participates with the Iowa Quality For Kids Program.

-The director shared, "The strength of our center is that we have a great history of successful classrooms and long term staff. We run a great preschool program and partner with College Community for the State Funded Preschool program for 4yr old's. Our center is very well run and the staff are happy. Being a smaller center allows us to have close relationships with families and each other."

The mission of All God's Children "...is to fulfill a need in our community by providing quality education and childcare in a loving Christian environment. We will represent Jesus Christ by living, teaching, and sharing the Christian faith and way of life. We define quality education and childcare as structured programs with many and varied learning enrichment opportunities, all rooted in Christian beliefs..."

All God's Children have established the following website for families and the community to learn more about their program: https://www.kidsloveagc.com/contact-us.html.

**3. Identify the aspects that fall below the standard**

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

N/A

**5. Special Notes/Recommendations**

Areas of the flooring both in the classrooms and hallways are showing ware and presenting tripping hazards (e.g. 3yo preschool room). Remedy. Also, please keep the most sanitary choice in mind when replacing flooring - especially in high traffic areas such as hallways and entryways as well as in areas were crafting and food service is happening.

Since the outdoor space has expanded, please also increase outdoor shade areas to accommodate.

Obtain step stools for the lower-level restrooms used by the childcare. The pedestal sinks are quite high for preschool-age children to easily access.

A full license has been issued. Thank you for the visit.
