Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 07/17/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.9	Files
441 IAC 110.9(1)	**A provider file is maintained and shall contain the following:**
441 IAC 110.9(1)"b"(2)	Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

Findings:

An unannounced visit was completed on 7/17/23 and the following was observed:
441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes.

441 IAC 110.9(1)"b"(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

Suggestions/Recommendations:

Dawn did not have monthly documentation of testing of her smoke detectors. This worker did provide her a form to use for future documentation starting this month.

Dawn could not locate the documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care. This worker did check the system upon return to the office and both Dawn and her husband have had the appropriate checks completed. This worker encouraged Dawn to keep the next letter she receives from DHHS upon her renewal.

Corrective Action Required:

A re-check is not needed at this time Corrections need to be made by 9/1/23 and will be reviewed at the next annual compliance check.

I encourage you to work with Shannon Hames from Child Care Resource and Referral with any ongoing compliance or training needs.

Shannon can be reached at 319-233-0804.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.
