Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 05/11/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 4 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)“a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

Findings:

441 IAC 110.8(3)“a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

**During walkthrough of the home, there were medication bottles on the top of the medication box on the counter. The provider put them away immediately, but this leads to a reminder to replace the medications in the locked box after taking them.

Suggestions/Recommendations:

Ensure that all medicines are stored away before children arrive in the morning for care.

Corrective Action Required:

Please reach out to compliance staff or CCR&R if you need any assistance.
