Suggestions/Recommendations:

A recheck is not needed at this time. The below corrections need to be completed by 13/7/2024 and will be reviewed on your next annual compliance check

I encourage you to work with your Child Care Resource and Referral Worker (Heather Sheesley 515-360-7308) with any compliance or training efforts.

Corrective Action Required:

1. When I arrived you were not in the Child Development Home. Your assistant communicated to me that you were on an errand. You did arrive 5 minutes later. You cannot leave the assistant in charge of the daycare children. She needs to be a substitute to allow you to leave.

2. Each child's individual emergency numbers need to be written on paper and easily available. I left a blank form for you to use.

3. A smoke detector needs to be installed in the back room with children in it.

4. DHHS Medical Physical Forms need to be completed and in your file for every household member 18 years or older. I left blank DHHS Medical Forms for you to take to a medical professional. I emailed you a website which will identify free clinics you would have access to use. Failure to get the physical forms completed could result in your registration being cancelled.

5. Each child need to have an individual file containing specific medical, demographic, release, policy and consent information. I left a list of the specific information needed. You did have individual files but the files need to be complete.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jarind@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
