Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 03/06/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“ e” Annual laboratory analysis of a private water supply shall be conducted to show satisfactory bacteriological quality. When children under the age of two are to be cared for, the analysis shall include a nitrate analysis. When private water supplies are determined unsuitable for drinking, commercially bottled water or water treated through a process approved by the health department or designee shall be provided.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 - 1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 - 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 - 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care
- e. For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
 - f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
 - g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
 - h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
 - i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
 - j. Written permission from the parent for the child to attend activities away from the child development home.
 - k. Injury report forms documenting injuries requiring first aid or medical care
 - l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.8(1)“e” Annual laboratory analysis of a private water supply shall be conducted to show satisfactory bacteriological quality. When children under the age of two are to be cared for, the analysis shall include a nitrate analysis. When private water supplies are determined unsuitable for drinking, commercially bottled water or water treated through a process approved by the health department or designee shall be provided.

Your most recent laboratory analysis of your private water supply is over one year old.

441 IAC 110.9(4) Children's files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

- e. For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
- f. For each school-age child, record of a physical exam completed at the time of school enrollment or since.

A random audit of the children's files found one child needing an updated physical examination.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 4/6/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Bailey Hill from Child Care Resource and Referral with any ongoing compliance or training needs.

Bailey can be reached at (712) 541-2432.

Corrective Action Required:

Please provide documentation of current testing of your private water supply.

Please update the children's files as needed.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at djaehrl@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
