Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 06/22/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.15	**SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "C"**
441 IAC 110.15(1)“ e”	No more than 16 children shall be present at any one time when an emergency school closing is in effect. If more than 8 children are present at any one time due to an emergency school closing exception, the provider shall be assisted by a department-approved assistant who is at least 18 years of age. • If only ne approved provider is present, no more than 6 of 8 children may be 24 months of age or younger and of these 6 children, no more than 3 are 12 months of age or younger.

Findings:

441 IAC 110.15(1)“e”
If only one approved provider is present, no more than 6 of 8 children may be 24 months of age or younger and of these 6 children, no more than 3 are 12 months of age or younger.

**The provider was over by one school age child. Discussion was held, the child is 14, but has a diagnosis that is allowed to continue to attend childcare. Her co-provider is currently unavailable until next week. This is why the provider is over by one child.

Suggestions/Recommendations:

Remain vigilant regarding your childcare numbers in your home.

Corrective Action Required:

If you have any questions, please contact Jamie Needham at CCR&R or your compliance worker.
