CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kathleen has been a registered childcare provider since November 2011. Kathleen is a C2 provider, her co-provider is Lacey Ewing. Kathleen accepts children of all ages and the childcare hours are 5:00am to 5:30pm Monday through Friday. Kathleen participates with CCR&R. The childcare home is a single-family home that is only used for childcare purposes. The home has a large yard.

2. Identify Observed Strengths Of The Program

Kathleen says that one of the strengths of their program is that there is a "no electronics" policy. Kathleen says that they allow the children to choose their activities. The children play in the large yard, they walk to the park and they do crafts. The childcare has a lot of games and toys. Kathleen says that another strength of the program is the positive relationship with the families.

Kathleen says that she keeps to a schedule, breakfast, lunch, nap and pm snack.

During the compliance visit the children were observed playing with dolls and watching an educational t.v. show.
