CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Amy Leverson on 9/8/2025. Amy has been involved in child care for 27 years. She continues using the main floor only of her ranch style home. The home has an open floor plan and was clean and clutter-free. Amy had 5 children in care during the time of our visit. She is serving in a community where child care demand is high. Amy renewed this month and is currently registered through September of 2027. Amy has no HHS-approved substitutes, and one HHS-approved assistant.

2. Identify Observed Strengths Of The Program

Amy currently serves a young group of children. She mixes lots of free play with age appropriate activities including coloring and games. They have regular outside time every day if weather allows. Amy was organized with her files, trainings, and postings. She participates with the Food Program to enhance the quality of her snacks and meals.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
- Amy needs to obtain a current vet statement for her dog to have on file. These need to be completed using the State form I shared a copy of and need to be renewed every year.

No re-check is required at Amy's operation. The above correction needs to be in place by 12/15/2025 and will be reviewed during her next visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Amy to work with Phyllis Koester from Child Care Resource and Referral with any ongoing compliance or training needs.
Phyllis can be reached at: (319) 433-7751

Amy had one infant under 12 months of age in care who was awake during our visit. We reviewed safe infant sleeping policies.
