CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Johnny has been providing childcare in her home for almost two years. She is a category A home, but will be renewing as a category B home. Her home does have appropriate space to move to a category B home. Johnny has been working hard and recently obtained her Level 1 IQ4K. She reported working closely with CCR&R was was excited that she was able to get to the first level. In the future, Johnny will continue to grow her business and work on her education, possibly even obtaining a CDA.

2. Identify Observed Strengths Of The Program

During the annual compliance visit, compliance staff observed the provider with the children. The provider was very attentive to all of the children's needs and maintained conversation with compliance staff. The home is clean and has many toy options for the children. The provider has a school aged boy in her care. She reported that he is always offering to help her with chores around the home. She stated that she always thanks him for wanting to help, but she does not allow him to complete chores. He is active with the other children in care and plays very carefully with them.

3. Identify The Aspects That Fall Below The Standard

N/A

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

Compliance staff reviewed the checklist with the provider. Compliance staff highlighted areas of safe sleep, continuity of care as part the the emergency preparedness plan, and informed the provider about a recent change. HHS is requesting that providers will inform any current or future families of information regarding immunization exemptions.
