CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jennifer Smithhart is a CDH Category C1 provider, living in Pleasant Hill. She has been a registered daycare provider since 2010. Jennifer lives in a ranch style house but only uses the basement area for her child care operation. She has an egress window with permanent steps up to the window. Jennifer runs a preschool program.

2. Identify Observed Strengths Of The Program

Jennifer was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. She currently runs a preschool program. They do fine and large motor skill activities, arts and crafts and play outside. The children color, count and learn their ABC's. Jennifer has a large fenced in backyard. Jennifer uses redirection and talking to the children, for discipline. Jennifer has completed all of the training to be a category C1 child care provider.
