1. Basic Overview

Keyla has been a registered child care provider in Scott County for approximately 9 years. Keyla accepts children aged 2-12 years of age. Keyla provides care Mondays through Friday from approximately 10:00 a.m.- 9:00 p.m. Keyla accepts families who receive CCA. Currently Keyla is not accepting new enrollments, however she would consider accepting children who need short term or emergency child care services. Keyla describes her child care setting as a safe place for children to be when they can't be in their own home. Keyla provides regular activities for children in care.

2. Identify Observed Strengths Of The Program

Keyla believes her greatest strength in working with children is her high level of patience in working with kids. Keyla also

communicates well with the parents regarding the children's needs and concerns. Keyla has worked hard on maintaining her paperwork and keeping things organized. Keyla has age appropriate toys and activities for many stages of development.

3. Identify The Aspects That Fall Below The Standard
