CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Cindy has been a registered childcare provider since April 2003. Cindy's husband, Clayton, is her co-provider and her daughter, Carisa is her assistant/substitute. Cindy's childcare hours are 4:30am to 5:00pm Monday through Friday. Cindy accepts children of all ages, but states that she is no longer accepting infants/newborns.

2. Identify Observed Strengths Of The Program

Cindy is a food program participant. Cindy says that the children do crafts 3 times per week and they try and play outside daily, weather permitting. Cindy resides on a farm with animals, so the children are able to observe the goats, pigs and horses. Cindy has a large, open floor plan so the children have room to run and play while still being supervised.

3. Identify The Aspects That Fall Below The Standard

Cindy was found to be in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
