Suggestions/Recommendations:

A recheck could occur to ensure Safe Sleep is being practiced. The below corrections need to be completed by 7/22/2025 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Heather Sheesley 515-360-7308) with any training or compliance efforts.

Corrective Action Required:

1. A DHHS Pet Vet Form needs to be completed by a qualified Vet on a yearly basis and in your provider file. I left a blank form you to take to your Vet.

2. The child locks in your Child Development Home are not functional and need to be replaced. Shortly after the compliance check you text me pictures of the chemical cleaners moved to a space not accessible by children.

3. When I arrived for the unannounced compliance check an infant was sleeping in a Pack and Play with multiple objects in the Pack and Play including a blanket. Another infant was in a car seat looking like it was going to fall asleep shortly. I pointed out Safe Sleep policy. You said the baby must have just fallen asleep in the Pack and Play. You said the baby in the car seat was just dropped off recently.

If there is any chance an infant might fall asleep they must be in a Safe Sleep environment. Remove all objects from the Pack and Play. When a child is dropped off in a car seat, remove the child immediately and place in a Pack and Play to ensure Safe Sleep is being practiced. You signed a Safe Sleep Safety Plan. This worker has made a referral to Nursing Services and CCR&R to make contact with you to review Safe Sleep and how important it is to practice it. Failure to practice Safe Sleep policy will result in your registration being revoked.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jake.aringdale@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
