I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

This daycare opened in June 2022. Kylie Schrader and Jessica Johnson are the owners. They own several other daycares in this area as well as daycares in other states. The center is located in a single standing building. There is a secured entrance. The center serves children ages infancy through preschool age. Kacie Harms, Regional Director, is currently acting as director of this center.

An unannounced visit was completed today. Mandatory postings are in place at the center's entrance. Classrooms had schedules and lesson plans posted. Classrooms are supplied with age appropriate furnishings, toys and materials. Children's art work is displayed in classrooms. Funny Daffer is the learning curriculum used by the center. Kangeroo Time is the app used by this daycare.

An unannounced visit was completed on today's date. All areas subject HHS licensing were reviewed. Miranda assisted with today's visit. Kacie Harms, Regional Director, was also present.

In Infant 1, there were eight infants. Two staff were working in this classroom. In Infant 2, there were nine infants. Three staff were working in this class. In Infant 1, there were eight infants. Two staff were working in this classroom. In Infant 2, there were nine infants. Three staff were working in this class. The Wobblers (1's) had eleven children. Three staff were working with this class. The Exploring Preschool (2's) had seventeen children. There were three staff working with these children. The Preschool (4's) had fourteen children in attendance. Two staff were working with this class. The PreK (4/5's) had thirteen children present. One staff was working with these children. Children were observed in classroom. Children were observed during child directed play activities. Children were also observed during transition times and during rest time.

The center has a full kitchen. There is a cook on staff. The center serves morning snack, lunch and afternoon snack. Menus are on a monthly rotation. There were some snacks that didn't have two credible foods being served. This was a repeat violation for today's visit.

The center has two playground areas, one playground used children ages six months to two years and other for the older children. The young children's playground has rubber turf for surfacing. The playground used by older children has wood mulch for surfacing. This playground has a few climbing structures. The center completes monthly playground checks. There is fencing around the playgrounds.

The center doesn't provide transportation. The local school provides busing services for school transportation.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Classrooms are well supplied with age appropriate furnishings, toys and supplies. The owners have a lot of experience in the child care field. Playgrounds have had some updates.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:
