CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Elizabeth is applying to be a category A, child development home. Elizabeth plans for her childcare hours to be 6:30am to 6:00pm, Monday through Friday. Elizabeth plans to care for children of all ages. Elizabeth does not currently have any assistants or substitutes.

2. Identify Observed Strengths Of The Program

Elizabeth has 12 years of experience working at SIDA/Headstart as a disability coordinator. Elizabeth says that she has a lot of patience and she follows the children's lead on activities they are interested in. Elizabeth says that she has a schedule for meals and nap/quiet time, but she is flexible with letting the children learn through play and chose their interests. Elizabeth says the children will do crafts, have story time and do music/movement. Elizabeth will offer a "quiet time" where the children can either nap or play quietly. Elizabeth says that she will also work with the parents, so she is consistent with what they do at home.

3. Identify The Aspects That Fall Below The Standard

110.8 (1) h : Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.

Elizabeth did not have smoke detectors above 2 sets of stairs.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Elizabeth will install smoke detectors at the top of each set of stairs. (Elizabeth texted a photo showing this complete on 10/28/26)

5. Special Notes/recommendations
