Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes.

Pamela did not have documentation of her monthly testing of each smoke detector. This was discussed at last year's check and discussed again today. She has been provided an updated form for documentation purposes.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 1/27/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Black Hawk County Child Care Resource and Referral at 319 233-0804 if you have any ongoing compliance or training needs.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Pamela needs to ensure that she is testing all of her smoke detectors monthly and documenting that accordingly.

Pamela does need to obtain updated pet exams for the three pets on the HHS approved form.

Pamela needs to work with the parents to obtain all of the necessary paperwork for the children's files.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or christy.weber@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,
