1. Basic Overview

School Street Scholars Day Care has been in operation since 2007. The center has a secured front entrance. The center provides child care for children ages infant to young school age. Lindsay Goldsberry, is the owner and director. Lindsay had previous work experience at another center and in home child care prior opening School Street Scholars Day Care.

An unannounced visit was completed on this date. All areas subject to HHS rules were reviewed. Mandatory postings are in place at the parents' entrance area of the daycare. Classroom schedules are posted. Current lesson plans are posted in classrooms. There is a lot of children's art work displayed in classrooms. Lindsay assisted with today's visit.

The infant classroom had six infants present. There were staff were working in the infant room. The two's class had six children present. Two staff were working with this group. The three's class had six children in attendance. Two staff were working in this class. The preschool/early elementary class had five children present. One staff was working in this classroom. Children were observed in their classrooms during the visit. Children were observed during child directed play activities. Staff were observed on the ground in the younger children's classes. Staff were playing with blocks and reading books to the children.

The center has a full kitchen. Lindsey does the majority of the cooking for the center. The center participates in CACFP. The center serves breakfast, lunch and afternoon snack. Menus are on a five week rotation.

The center has playground that has fencing. The center has rubber tile for surfacing. There is a large climbing structure on the playground. Playground inspections have been completed monthly.
