Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 08/13/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(1)"i"	Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported. Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children. All signs shall include: **1.** The telephone number for reporting complaints, and **2.** The Internet address of the department of public health (www.iowasmokefreeair.gov)
441 IAC 110.8(1)"n"	Providers shall inform parents of the presence of any pet in the home. **1.** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice). **2.** Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds. **3.** Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank. **4.** All animal waste shall be immediately removed from the children's areas and properly

disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"b" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
4. The examination report or statement of health status shall be on file before the child's first day of care
e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
f. For each school-age child, on the first day of attendance, documentation of a physical

examination that was completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

An annual compliance check was completed on 8/13/24 and the following was out of compliance:

441 IAC 110.8(1)“h” The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes.
Nickie did not have any documentation of monthly testing of smoke detectors. She does already have the form to use but has not been documenting them. This was also an area where she was out of compliance at last years check. We discussed the need to check the smoke detectors every month and document that accordingly.

441 IAC 110.8(1)“i” Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home’s hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:
The telephone number for reporting complaints, and
The Internet address of the department of public health (www.iowasmokefreeair.gov)
Nickie did not have a no smoking sign at the secondary entrance. (she did recently remodel and noted she had not yet put it up.)

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.
Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
Nickie did not have a pet exam for her dog. This was also an area that was out of compliance at last years check. She was provided the correct form to use at last years check but still has not obtained that.

441 IAC 110.8(3)“b” The First Aid kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
Nickie did not have a water bottle or disposable tweezers in her First Aid kit. This was also an area that was she was out of compliance with at last year's check.

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
Nickie did not have this at her secondary exit. (she had recently remodeled and needed to get it reposted)

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation

evidencing compliance with monthly practice on file for the current year and the previous year.

Nickie did not have any documentation of practicing of monthly fire and tornado drills. She does already have the form to use but has not been documenting them. This was also an area where she was out of compliance at last year's check. We discussed the need to practice those monthly and document that accordingly.

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Nickie and her husband were both missing a physical exam. This was also an area where she was out of compliance at last year's check and this worker had provided her the appropriate forms for documentation.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
The examination report or statement of health status shall be on file before the child’s first day of care
For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

Nickie was missing an initial physical and immunization record for one of the children in care.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 9/3/24 and will be reviewed at the next annual compliance check. Please send pictorial verification of the items where specifically noted below.

I encourage you to work with Rachel Bonefas from Child Care Resource and Referral with any ongoing compliance or training needs.

Rachel can be reached at (563) 362-8225.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Nickie needs to test her smoke detectors monthly and document that accordingly. Since this was an area that was also out of compliance last year, Nickie needs to send pictorial verification of September testing.

Nickie needs to post a no-smoking sign at her secondary entrance.

Nickie needs to obtain an annual pet exam for her dog and utilized the required pet form. Since this was also an area where she was out of compliance at last year's check, Nickie needs to send pictorial verification when obtained.

Nickie needs to obtain disposable tweezers and a water bottle to keep with her First Aid kit. Since this was also an area where she was out of compliance at last year's check, she needs to send pictorial verification.

Nickie needs to post her emergency plan for fire and tornado at her secondary exit and send pictorial verification.

Nickie needs to practice fire and tornado drills monthly and document that accordingly. Since this was an area that was also out of compliance last year, Nickie needs to send pictorial verification of September documentation.

Nickie needs to obtain a physical for herself and her husband and they need to be on the approved HHS form. Since this was also an area where she was out of compliance at last year's check, she needs to send pictorial verification to this worker.

Nickie needs to obtain a physical and immunization record for one of the children in care and work with parents to maintain all of the required documentation for children's files.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Christine Weber
