Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 12/26/2019. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) Facility Requirements

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Findings:

This worker met with Maria for her annual compliance visit. There were no children present and her adult daughter Mercedes was present to assist in translating. A complete tour of the home noted no deficiencies. During file review it was noted the following items are needed: practice and documentation of fire/tornado drills each month, testing and documentation of smoke detector tests monthly, copy of her completed Emergency Preparedness Plan, copy of completed physical for Enrique on form 470-5152 Child Care Provider Physical Examination Report as his was expired.

Two copies of form 470-5152 and a copy of fire/tornado and smoke detector drills record is included with this letter.

Suggestions/Recommendations:

Corrective Action Required:

CCR will work to schedule a follow up visit to ensure all items are on file within 45 days of this letter.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 641-421-1219/anash@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Amanda Nash
