CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Shannon Uglum is a CDH Category C2 provider, living in Altoona. She has been a registered daycare provider since 2011. Diana has two approved child care assistants along with an approved co-provider. Shannon lives in a ranch style house but only uses the basement area for her child care operation.

2. Identify Observed Strengths Of The Program

Shannon Uglum was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Shannon participates in the food program. I observed lunchtime during my visit. Shannon and her co-provider have participated with Safe Sleep training and practice Safe Sleep procedures in the Child Development Home. Shannon said the children work on their colors, ABC's, do arts and crafts, free play dancing and play outside. Shannon uses redirection and time out if needed, for discipline.

3. Identify The Aspects That Fall Below The Standard
