CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Kelly Purviance on 8/15/2025. Kelly just renewed her certification on 8/1/2025. She added her adult daughter Riley to the household. She currently has one substitute/assistant. Kelly continues using main floor only of a 2 story home. Kelly currently does not transport children. She has two pets in the home, both with current vet statements. Kelly had no children in care during the time of my visit as she had planned to be out of town and had taken the day off. Kelly reports having 27 years of involvement in providing child care.

2. Identify Observed Strengths Of The Program

Kelly strongly believes in maintaining a good routine with her children. Kelly has a fenced back yard for outside play. They have lots of outside time when weather permits, and frequently enjoy eating lunch outside during the summer. Regular activities include art and painting, games and puzzles, and structured free play. Kelly's inside environment is open and clutter free. Kelly participates in the Food Program to promote health eating.

3. Identify The Aspects That Fall Below The Standard

N/A

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Kelly to work with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Kelly currently has no infants under 12 months of age. We reviewed safe infant sleeping policies for future reference. Kelly has pack-n-plays available for infant napping.

Kelly needs to obtain a current health statement for her new household member Riley within 6 months. I will review this during our next visit.
