CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Beth and Mathew Matrone are currently C2 providers in Des Moines. They have been providers since 2008. Beth and Matthew use the basement of their ranch home, for child care. The basement is a walkout. They have a large fenced in yard for children to play in. Beth and Matthew provide care to children of all ages.

2. Identify Observed Strengths Of The Program

Beth and Matthew are organized and had everything easily accessible for the compliance visit. Beth toured me around her child development home, while Matthew did preschool with the daycare children. Children were observed coloring at the table with Matthew.
