- [X] All Ages

CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Brenda is a category B provider who has been providing childcare for 30 years. She has been registered 15 of those years. Her hours are 4:30 a.m.- 6:30 p.m. M-F although she reports being flexible with her hours and ability to work weekends if she is available. Brenda takes children of all ages. She belongs to the food program and accepts childcare assistance payments.

2. Identify Observed Strengths Of The Program

Brenda identified her strengths as having patience and a love for animals and children. She identified enjoying watching them grow and develop and to be able to play a part in that. She reports that she wants the children to feel as though her home is their home away from home. She reports that she has scheduled
meals/snack and naps, otherwise it is child guided. Brenda has a pool which she reports the older children are able to use when she or her assistant are in the pool with them. She has an approved fence and requirements for the pool.

3. Identify The Aspects That Fall Below The Standard

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.

A child residing in the home needs up an updated physical examination.

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

Several children need updated documents in their files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations

2026 Target Compliance of Emergency Preparedness Plan was complete and in line with current operations.
