CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Amber has been a registered childcare provider since July 2007. Amber is a category B provider and she has one assistant/substitute, her husband, Ryan. Amber's childcare hours are 7:00am to 5:00pm, Monday through Friday. Amber cares for children of all ages. Amber participates with the food program and IQ4K.

2. Identify Observed Strengths Of The Program

Amber was caring for 5 children at the time of the compliance visit. Amber and the children were playing in the yard on the playset. Amber has fall surfacing under the playset. Amber also has several umbrellas set up to provide shade for the children. Amber was observed comforting a child who had fallen.

Amber says that the children keep busy with different activities such as doing crafts and playing outside in the mud kitchen. Amber said that instead of mud she has started using rice and dried beans, which the children enjoy. Amber says that the children read books, do puzzles and enjoy art with markers and crayons.

Amber says that she has a positive relationship with all of the families of the children she cares for.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.

1. Amber was missing current physicals/statements of health in a few children's files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Amber will have current, annual exams/statements of health in all children's files.

5. Special Notes/recommendations

Targeted Compliance: Emergency Preparedness Plan

Amber's EPP was reviewed and found to be up to date and relevant.
