Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 06/22/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) Facility Requirements

- 441 IAC 110.8(1)“g” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.
- 441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
- 441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.
1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
 2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.
 3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.
 4. All animal waste shall be immediately removed from the children’s areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
 5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a.** Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b.** Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c.** A signed medical consent from the parent authorizing emergency treatment.
- d.** An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 - 1.** The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 - 2.** The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 - 3.** For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 - 4.** The examination report or statement of health status shall be on file before the child's first day of care
- e.** For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f.** For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g.** A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
- h.** For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
- i.** Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
- j.** Written permission from the parent for the child to attend activities away from the child development home.
- k.** Injury report forms documenting injuries requiring first aid or medical care
- l.** If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.8(1)“g” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

**Provider has an extinguisher, but it is a 1A 10BC. Provider needs to upgrade to at 2A 10BC.

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

**Provider has not documented smoke detector checks since October 2017. Discussion of the need to check and document these checks as they occur.

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate.

**Provider has 5 dogs, one that is a puppy at 22 weeks. Needs a veterinary form for the puppy and the others will need updated in the next month.

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

**Provider has not documented drill practices since October 2017. Discussion of the need to practice monthly and document practices. The space for the tornado drill needs to be kept clear so that in the event of an emergency, there is no question where to go and the space is accessible.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

**Provider has one file that is in need of an initial physical. Provider has 5 files that are due for updated physicals.

Suggestions for Improvement:

Provider can work with the parents on getting physicals when the children go in for annual visits.

Maintain clean space in the area in the basement that is specified the area for storm safety. Practice monthly drills for tornado's, fire and check the batteries in the smoke detectors. Document. each month when drills and battery checks are completed.

Recommendation:

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will not be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at sburris@dhs.state.ia.us 712-328-5807 if you have any questions regarding this letter.

Sincerely,
