CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Michele Wheeler is a CDH Category C1 provider, living in Ankeny. She has been a registered daycare provider since 2011. Michele lives in a 2 story house but only uses the basement area for her child care operation. Her basement is a walkout basement.

2. Identify Observed Strengths Of The Program

Michele was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Michele says the children do arts and crafts, moving and grooving, play games, count, and work on their ABC's. Michele has a large backyard and they go on walks in the neighborhood. For discipline Michele gives 3 warnings and then a timeout. She uses redirection as well, for discipline. We reviewed all safe sleep regulations. Michele has cribs for all infants. Michele has completed all of the training to be a category C1 child care provider.

3. Identify The Aspects That Fall Below The Standard

NA

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

At the time of my compliance visit, Michele Wheeler was in full compliance.
